

■ Digital Creator Bundle – Master the Art of Online Creation

Course Overview

- 1 Learn to create, edit, and grow as a professional digital creator.
- 2 Build your personal brand and turn creativity into a full-time career.
- 3 Get hands-on learning with weekly projects and live doubt-clearing sessions.

What You'll Learn

- 1 **Personal Branding:** Define your niche and build a unique identity online.
- 2 **Video Creation & Editing:** Master camera setup, lighting, and editing tools.
- 3 **Graphic Design:** Learn Canva, Photoshop & visual storytelling.
- 4 **Social Media Growth:** Understand algorithms, audience engagement & analytics.
- 5 **Monetization:** Earn through brand deals, affiliate marketing, and content revenue.

Weekly Projects

- 1 Every week includes a practical project to apply your skills.
- 2 Create YouTube intros, short reels, posters, and complete mini campaigns.
- 3 Build your portfolio with real-world creative tasks.

Doubt Sessions

- 1 Weekly live doubt-clearing sessions with mentors.
- 2 Get personalized feedback on your projects.
- 3 Interactive discussions to strengthen learning and creativity.

Outcomes

- 1 Become a confident and skilled digital creator.
- 2 Grow your online presence on YouTube, Instagram & other platforms.
- 3 Collaborate with brands and monetize your content.
- 4 Build a strong portfolio and start your digital journey.

Ideal For

- 1 Aspiring YouTubers & influencers.
- 2 Students & freelancers looking to grow in digital space.
- 3 Anyone passionate about content creation and storytelling.
